Assistance to Drive Workforce System Performance Forward

Overview

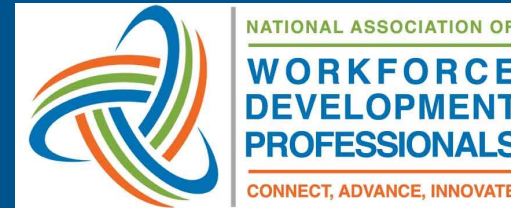

USDOL award of a cooperative agreement to Safal Partners for three-years of Technical Assistance (TA) to workforce boards and operators

The *Collaborative* will provide **strategic, short- and long-term TA** to help public workforce system entities **improve service quality** and **outcomes** for jobseekers and employers.

Collaborative Partners

- National Association of Workforce Boards (NAWB)
- National Association of Workforce Development Professionals (NAWDP)
- Third Sector Capital Partners

Goals of the Collaborative

- Comprehensive TA strategies
- Provide TA
- Create an online community
- Facilitate peer-to-peer learning
- Develop summaries of best practices, profiles or toolkits
- Participant and employer outreach, program implementation and partnership building

Five Areas of Focus

- Economic Recovery
- WIOA implementation
- Fiscal/administrative/operational strategies
- Sector Partnerships and Employer Engagement Strategies
- Performance and Results

Three Tiers of Focus

- **Universal** – connecting you to existing resources
- **Intensive** – focused on highly requested TA topics and forming facilitated peer-learning groups for short time periods
- **Customized** – special invitation to join scheduled coaching sessions

Where Are You Now?

- Economic Recovery
 - CARES Act Funding
 - Virtual Service Delivery
- WIOA Implementation
 - Governance, Board Member roles, Onboarding
 - Aligned and Integrated Service Delivery
 - Strategic Planning

Where are You Now?

- Fiscal / Administrative / Operational Strategies
 - Non-WIOA funding
 - Fiscal questions
 - Operational focus
- Sector Partnerships and Employer Engagement
 - Measuring inclusion
 - Continuous improvement of services for communities of color
 - Transformational relationships with employers

Where Are You Now?

- Performance and Results
 - Challenges
 - Best Practices

- Other topics of concern?

What's Coming Up?

- Assistance Needs Assessment
- Website to request assistance and access materials
- Best practices highlighted via materials, webinars and peer-learning sessions
