CTE RA Bootcamp

***February 8-9, 2022
Jefferson City, MO***

- 2 day, in-person session geared to meeting unique needs of high school/CTE RA leadership, instructors, faculty
- 9 CTEs represented
- Received hands-on training from leadership with MO DESE, IWSI, and Safal Partners (USDOL RA Center of Excellence)
- Results:
 - 7 Missouri CTEs moving forward on program start or expansion
 - Developing into national model that will be next replicated in Florida with state CTE leadership
 - Developing national Toolkit and Train the Trainer material

Ready, Aim, Launch!

- Monthly webinar produced through collaboration of MO DESE, Safal Partners and IWSI
- Supportive of the Missouri Apprenticeship Team's goal of fostering collaboration across the apprenticeship / education systems in the state
- Features different topic, speakers each month
 - April – Safal Partners on “Braiding DOL Funding”
 - August - Jeanna Caldwell, DHEWD (topic)
- Goal: increase stakeholder engagement and collaboration across industry/workforce/education in apprenticeship, and increase # of high schools and CTEs engaged in youth registered apprenticeship
